The Medicine Wheel Bicycle Project consists of a school bus converted into a mobile bicycle repair shop that will visit area housing sites to teach and assist children with repairing their bicycles. All the bike tools, parts and mechanical experts will be on site. This is a wonderful opportunity for our youth to learn to fix their bike, gain knowledge in safety and fun riding skills, along with access to healthy transportation and making their bodies strong!

Refreshments will be provided

Each **Monday or Wednesday** Starting:

June 18th (Mon.)	Arlee (Community Center) St. Ignatius (Mission Dam Homesites)	10:00am-1:00pm 2:00pm-5:00pm
June 25th (Mon.)	Ronan (Andrews Place Homesites) Ronan (Woodcock Homesites)	10:00am-1:00pm 2:00pm-5:00pm
